

I enjoy listening to K-LOVE FM radio on 89.5 FM. It has very relaxing and inspirational music that is very enjoyable to listen to while working and I cannot concentrate on background talking. Many people in our community also enjoy this station and do not want to lose it. I believe that K-LOVE is in the best interest of our community and I am asking you to consider the effect it would have on our community if K-LOVE were replaced with an LPFM broadcaster providing other programming.
